COMEX2017 Closing

Government entities concluded their participation in the 27th version of COMEX 2017 that is organized for the first time in Oman Convention and Exhibition Centre, with the participation of 14 government entities, 3 GCC countries and 100 companies specialized in ICT.

Honoring Ceremony

The Information Technology Authority (ITA) has honored COMEX 2017 participants including government entities, GCC countries (KSA, Qatar, and Kuwait) and media institutions.

Supporting Education

The Information Technology Authority and Daleel petroleum had signed an MoU to provide a training program for the Ministry of Education employees. The training program targets 200 employees in the field of open source software.

Najeh Graduation (Batch 12)

A graduation ceremony that hosted 15 graduates of Najeh Job seeker program was held as part of COMEX 2017, in cooperation with Exceed IT Services LLC, the institution executing ITA's Licensing Agreement with Microsoft for governmental bodies.
